AonMe insurance refers to the insurance policy, which is arranged by Aon New Zealand as the broker with Vero Insurance New Zealand Limited as the insurer.

Welcome to your AonMe Home Residential Policy – insurance for your home

In this policy wording, we set out what's covered and what's not covered under your policy, your responsibilities, and how we work together with you at claim time.

Who we mean by 'you'

When we say 'you' or 'your', we mean the insured person or people named on your *schedule*, and their partner.

A partner is either a:

- marriage or de facto partner under the Property (Relationships) Act 1976
- civil union partner under the Civil Union Act 2004.

Who we mean by 'we'

When we say 'we', 'us', or 'our', we mean Vero Insurance New Zealand Limited.

The documents that make up your insurance policy

Your insurance policy is made up of three parts.

1. This policy wording. It explains what we do and don't cover, the responsibilities you have under the policy, and how to make a claim.
2. Your policy *schedule*. It gives details specific to you, including who and what is insured, when cover starts and ends, and the *premium* you've agreed to pay. The policy *schedule* also includes any special terms that might apply, which might also detail things that we do and don't cover.
3. The information in your proposal, application, or declaration.

Read your policy wording, so you know what we do and don't cover

We agree to give you insurance cover as outlined in this policy wording and your policy *schedule*, as long as your *premium* payment is up to date.

Read your insurance policy documents carefully, so you know what you are, and are not, covered for. Keep them together in a safe place.

Once you've read this policy wording, contact your insurance adviser or Aon New Zealand if you would like more information.

Headings in this policy wording are descriptive

The headings used in this policy wording are descriptive — they're to help you find information. They're not part of the terms and conditions, so you can't rely on them to interpret the policy's meaning.

Words in italics have specific meanings

When words are in italics, they have specific meanings that we've defined in the 'Definitions' section on page 36. When we use these words, we mean the definitions we give in the 'Definitions' section.

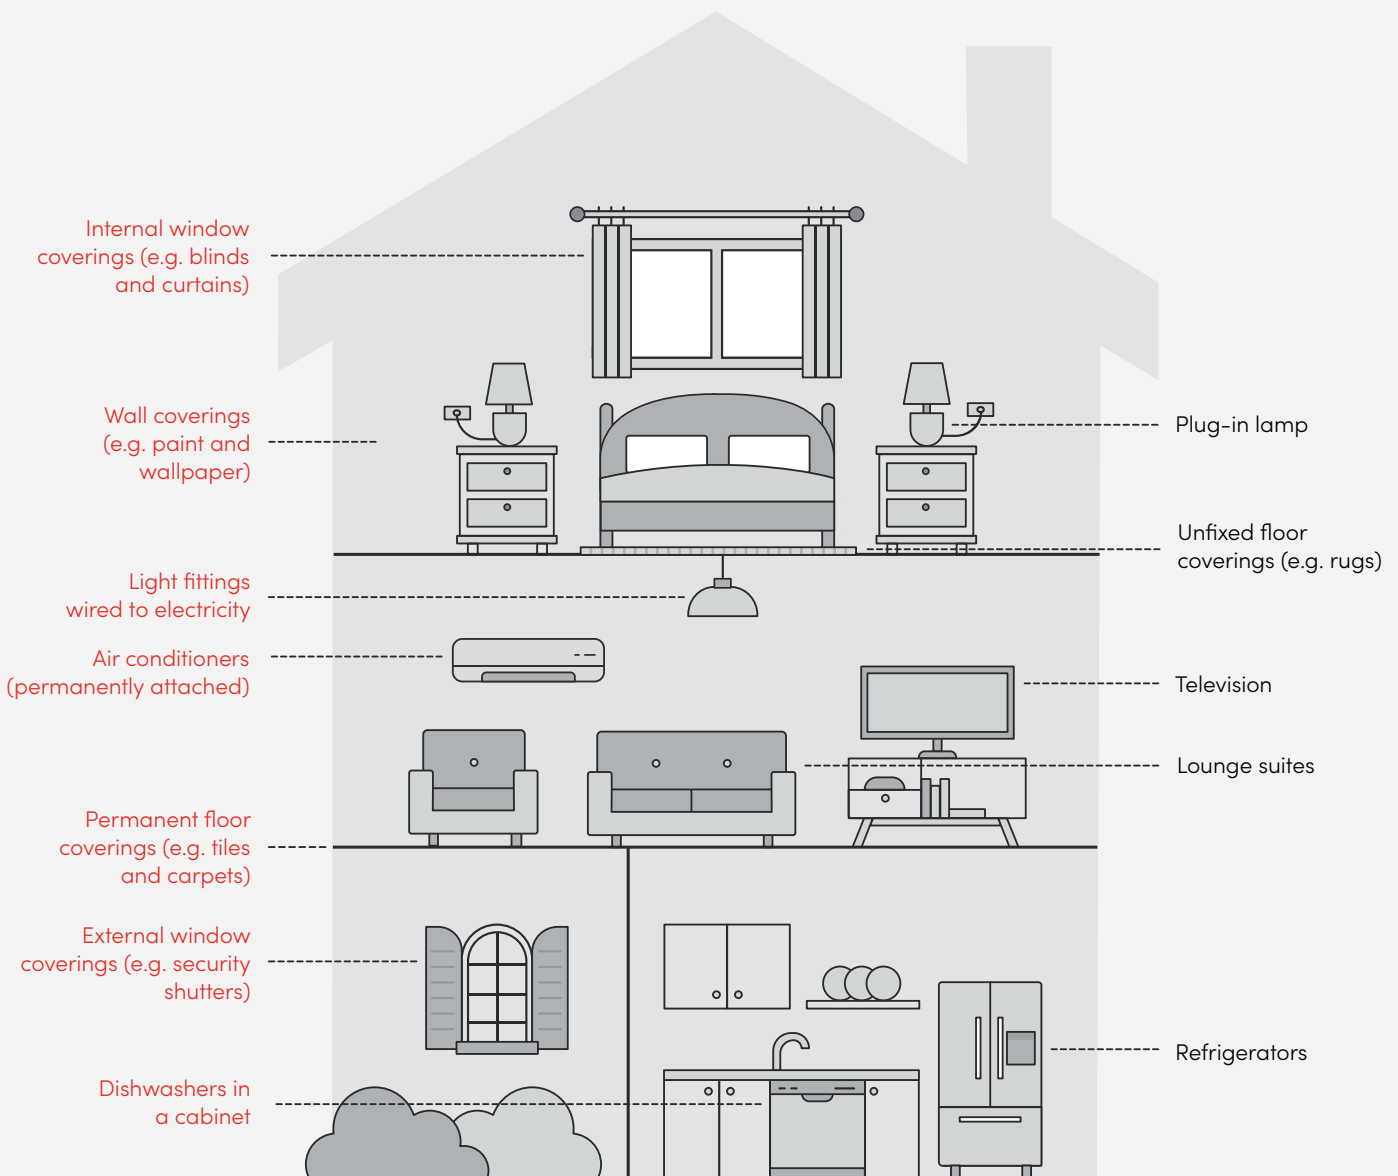

Your home and contents

Your home

The residential building at the insured address and includes structural improvements, fixtures, fittings and domestic outbuildings.

Alternative accommodation — we'll pay for temporary accommodation if your home is uninhabitable

If you own and live in your *home*, we'll cover your reasonably incurred extra costs for temporary accommodation if you can't live in your *home* because it is *uninhabitable* due to:

- *loss* this policy covers
- *loss* to the *home* that happens during the *period of insurance* that is covered entirely by the Earthquake Commission
- prevention of access to the *home* by government or local authorities which is initiated during the *period of insurance* because of possible or impending damage to an otherwise safe or sanitary *home*.

The temporary accommodation must be of a similar standard to your *home*.

This cover includes boarding your *domestic pets*, storing your *contents*, and moving your *contents* to and from storage or temporary accommodation.

We'll cover up to 12 months of temporary accommodation. We may choose to remove the 12-month limit if there's a widespread *natural disaster*.

For any one event, we'll pay up to 5% of your *sum insured* on your *schedule* or \$50,000, whichever is greater.

What we won't cover under this benefit

Under this benefit, we won't cover:

- any costs you would normally pay if your *home* was habitable, such as travel, consumables, phone charges, electricity, gas, or water supply services — or any increase in these costs associated with the temporary accommodation
- any costs of alternative premises for your *home office* or *healthcare practice*.

Situations where this benefit won't apply

This benefit will never apply if:

- your *home* is not *uninhabitable* (other than when authorities stop you from accessing your *home* as outlined above)
- we haven't agreed in writing that it's necessary for you to move out of your *home* while it's repaired or rebuilt
- the *loss* covered by the Earthquake Commission is only *loss* to land.

+ Any amount we pay under this benefit, we'll pay in addition to your *sum insured*.

Authorities damage — we'll cover damage caused to prevent other loss

We'll cover physical damage to your *home* that government or local authorities cause to prevent *loss* that this policy covers.

✓ Any amount we pay under this benefit, we'll pay out of your *sum insured*.

Electronic programmes — we'll cover resetting electronic equipment in your home

If electronic equipment installed in your *home* suffers *loss* that this policy covers, we'll pay the reasonable cost of resetting, restoring or reprogramming software necessary to use that equipment.

This benefit doesn't cover the loss of any *data* stored on the equipment.

✓ Any amount we pay under this benefit, we'll pay out of your *sum insured*.

Environmental improvements — we'll pay for home improvements that make your home more environmentally friendly

We'll pay up to \$3,500 for the extra costs associated with buying and installing new environmental improvements to your *home*.

Environmental improvements are alterations or additions to your *home* to help protect or conserve the environment — such as rainwater tanks, solar systems, and compost equipment.

For you to claim this benefit, all the following circumstances apply.

- We've accepted a claim for *loss* under this policy worth more than 80% of the *sum insured*.
- We're authorising or arranging the repairs to your *home*.
- Your *home* does not already have the environmental equipment.
- We have agreed to the environmental improvements before you buy or install them.

This benefit doesn't cover environmental improvements needed for the repair or rebuilding of your *home* to comply with the latest building regulations, whether or not we actually meet those costs as outlined under the heading 'Statutory requirements' on page 29.

+ Any amount we pay under this benefit, we'll pay in addition to your *sum insured*.

Gradual damage — we'll cover gradual damage caused by leaking water pipes

We'll pay up to \$3,000 for any one event for the repair of gradual physical damage to your *home* resulting from water leaking or overflowing from any internal water system.

This includes the reasonable cost of searching for the source of the leak or overflow, as long as we've accepted a claim for the gradual damage. We won't pay to repair the actual pipe or vessel that is leaking or overflowing.

We'll only pay if both of the following apply.

- The damage must have first started after you bought the *home*.
- The leak or overflow causing the *loss* wasn't visible, noticeable, or obvious.

An internal water system is either of the following:

- any water pipe, waste disposal pipe, or water storage tank which is permanently connected and contained within the walls, cupboards, floors, ceiling, or roof of the *home*
- any pipe hidden from view that is connected to a water cylinder, refrigerator, water purifier, washing machine, dishwasher, or similar household item that is designed to both receive and release water. An internal water system does not include the appliance itself.

✓ Any amount we pay under this benefit, we'll pay out of your *sum insured*.

Gradual damage

We cover hidden gradual damage resulting from water leaking or overflowing from any internal water system.

We cover reasonable cost of searching for the source of the problem, as long as we have accepted a claim for the gradual damage.

We won't pay to repair the actual pipe or vessel that is leaking or overflowing.

Read the bullets in the 'Gradual damage' benefit on page 7 for a description of the internal water systems we cover.

We won't cover gradual damage caused by water leaking from a hose or pipe that is temporarily connected or is exposed.

Landscaping — we'll cover your gardens and lawns

We'll pay up to \$5,000 for any one event for damage to your gardens (including hedges, trees, shrubs, and plants), garden edging, and lawns. One of the following must apply.

- The same event also damaged your *home*, and we've agreed to pay a claim for *loss* to your *home*.
- A vehicle that you don't own or weren't in control of caused damage to your gardens, garden edging or lawns by impact, without damaging your *home*. The damage must happen during the *period of insurance*.

Any amount we pay under this benefit, we'll pay in addition to your *sum insured*.

Methamphetamine contamination — we'll cover methamphetamine contamination in rental properties

We'll pay for the testing, decontamination, and repair of your *home* if it suffers *loss* as a result of the use, consumption, storage or manufacture of methamphetamine or its precursor chemicals.

We'll only provide this benefit if all the following apply.

- Your *schedule* shows the *home* is *tenanted*.
- You comply with the Landlord obligations on page 31.
- At the time of the claim, testing confirms that your *home* has a level of chemical contamination that exceeds 15µg (micrograms) per 100cm².
- The people who contaminated the *home* are your *tenants*, or are at the *home* with your *tenants'* permission.

How we define contamination

We define contamination as a level of chemical contamination that exceeds 15µg (micrograms) per 100cm².

What we will and won't pay

We'll pay reasonable costs for the following.

- Costs incurred for testing to identify the contamination. We only pay these costs once testing has confirmed contamination.
- Decontamination of the *home* to a level less than 1.5µg/100cm².
- Costs incurred to repair or rebuild a damaged part of your *home* to *replacement condition*, if that is needed to achieve a level less than 1.5µg/100cm².

The most we'll pay is \$50,000 for any one event.

We'll only pay for one claim under this benefit while the *home* is let to the same *tenants*, or under the same *tenancy agreement*.

We won't pay to decontaminate or repair land, even if it's necessary to decontaminate, repair or rebuild your *home* or to comply with government or local authority laws or regulations.

- ✓ Any amount we pay under this benefit, we'll pay out of your *sum insured*.

Natural disaster — we'll cover natural disasters along with EQC

The Earthquake Commission (EQC) provides some *natural disaster* cover for homes under the Earthquake Commission Act (the EQC Act). If *loss* to your *home* is caused by *natural disaster*, any cover under this policy depends upon whether there is cover for your *home* under the EQC Act.

Loss to parts of your home which EQC insures

Where *loss* to your *home* is caused by *natural disaster*, we'll pay up to a maximum of the difference between these two amounts:

- the cost of repairing or rebuilding your *home*
- the amount payable under the EQC Act

less any *excess* we usually charge.

EQC must have done both of the following.

- Accepted liability for your claim.
- Already paid the maximum under the EQC Act for the *loss*.

We don't cover any *excess* charged by EQC.

Loss to parts of your home which EQC does not insure

Under the EQC Act, EQC does not insure some parts of your *home*. We'll pay for *loss* caused by *natural disaster* to the following permanently installed items which EQC does not cover.

- Drains, pipes, and cables.
- Driveways, paths, patios, fences, and walls (apart from retaining walls covered by the 'Retaining walls' benefit).
- Swimming or spa pools.
- Tennis courts.

An additional *excess* of \$5,000 applies to amounts we pay for these parts of your *home*.

The total you receive for natural disaster is limited to your sum insured

The most you will receive for *loss* caused by *natural disaster* from EQC and us combined is your *sum insured*.

All other policy terms and conditions apply to this benefit, along with the basis for settling claims.

- ✓ Any amount we pay under this benefit, we'll pay out of your *sum insured*.

New building work — we'll cover structures and materials if you do new building work

 This benefit is not designed to provide the same cover as a contract works policy.

We'll cover up to \$25,000 during the *period of insurance* for *loss* to new building work from certain causes.

The new building work that we cover

New building work includes any or all of the following:

- Any new separate structure being built at the address shown on your *schedule*, that you own (or are responsible for while it's being built). The structure must fall within the definition of *home* and be covered by this policy when complete.
- Structural work being done to upgrade existing fittings or features in the *home*.
- Materials at the location shown on the *schedule* that will be part the new structure.

The causes of loss that we cover

We cover new building work for *accidental loss* caused by:

- fire, explosion, or lightning
- impact by a vehicle or animal
- impact from aircraft or other aerial or spatial device (like a *drone* or a satellite), or articles dropped or falling from them
- *natural disaster*
- riot, civil commotion, strikes, or labour disturbance
- storm or *flood* (excluding any exposure to normal weather conditions).

Circumstances where we don't provide new building work cover

This benefit won't cover structures or work if any of these circumstances apply.

- The expected value of the completed work, or the price of the contract including materials, is more than \$50,000.
- Excavation is more than 1 metre deep.
- An extension, such as an extra *room*, is being added to an existing *home*.
- You're building for commercial purposes.
- You don't have building consent or similar, if it's required.
- The work is covered by a separate contract works insurance policy.

 Any amount we pay under this benefit, we'll pay out of your *sum insured*.

Power generation equipment — we'll cover wind- or fuel-powered generation equipment

We'll pay up to \$10,000 during the *period of insurance* for *loss* to power generation equipment if it results from any of the following.

- Fire, explosion, or lightning.
- Impact by a vehicle or animal.
- Impact from aircraft or other aerial or spatial device (such as a *drone* or satellite), or articles dropped from them.
- *Natural disaster*.

This benefit applies if all the following apply:

- You own the power generation equipment.
- It's on land you own, and your *home* is on that same land.
- It provides power to your *home*.

How we define power generation equipment

Power generation equipment is any wind- or fuel-powered equipment for generating electricity. It includes any support structure, generator, power storage and associated wiring, switching and distribution equipment.

Solar panels are not covered under this benefit – they're included in your cover as part of your *home*.

- ✓ Any amount we pay under this benefit, we'll pay out of your *sum insured*.

Property owner's liability – we'll cover your legal liability if you cause loss, damage, or injury

We'll cover you for your legal liability to pay *damages* or *reparation*. We'll only pay if the liability is for *loss* to someone else's property, or *accidental bodily injury*.

The liability must arise from an event that:

- happens during the *period of insurance*
- happens in New Zealand
- results from your ownership of the *home*.

Landlord's liability

As a landlord you have responsibilities under the Health and Safety at Work Act 2015. If you fail to comply with these and a judgment is made against you under the Act, we'll pay an *award* due to *accidental bodily injury*. We'll do this as long as you have met the cover requirements above and your *home* is *tenanted*.

What you must do to claim for liability for reparation

To claim for liability for *reparation*, you must do both of the following.

- Tell us immediately if you're charged with any offence in connection with your ownership of the *home*, which resulted in *bodily injury* to another person or *loss* to someone else's property.
- Obtain our written approval before any offer of *reparation* is made.

What we won't pay under Property owner's liability and Landlord's liability

We won't pay for any punitive or exemplary damages awarded against you.

We won't pay for legal liability:

- for *loss* to property that you own or that is under your control
- arising from:
 - any business, profession, or employment, except where cover is provided under 'Landlord's liability' above
 - the ownership, possession or use of any mechanically propelled vehicle, trailer, aircraft, or boat
 - the ownership and/or possession of any animals, other than *domestic pets*.
- where any exclusion in the 'Exclusions – things we don't cover' section applies (see pages 17 to 23).

We won't cover liability assumed by agreement (unless you would have been liable anyway). But we do cover liability normally agreed to by a landlord under a standard form tenancy or lease agreement.

Limits on what we'll pay for Property owner's liability and Landlord's liability

For any one event, we'll pay:

- for *loss* to someone else's property, up to \$2,000,000
- for *bodily injury*, up to \$1,000,000.

The most we'll pay for all legal liabilities for an *award*, *damages* and *reparation* is a combined total of \$2,000,000 during any *period of insurance*.

If you have other insurance with us that may cover liability for the same event, we'll still only pay up to the limits above.

We also pay legal defence costs if you are legally liable to pay damages

Where you're legally liable to pay *damages*, and we've given you our agreement in writing beforehand, we'll also pay your legal defence costs and expenses incurred. We won't pay legal defence costs and expenses in relation to an offence, or when you're legally liable to pay *reparation*.

We also pay legal defence costs if you are legally liable to pay an award

Where you're legally liable to pay an *award* under the Health and Safety at Work Act 2015, and we've given you our agreement in writing beforehand, we'll also pay your legal defence costs and expenses incurred.

- + Any amount we pay under this benefit, we'll pay in addition to your *sum insured*.

Resetting or reprogramming your security system — we'll pay to reset your security system after a break-in

We'll pay up to \$500 during the *period of insurance* for the reasonable costs of resetting or reprogramming a security system installed at your *home*.

The security system must have been activated during a break-in or attempted break-in that happened during the *period of insurance*.

- ✓ Any amount we pay under this benefit, we'll pay out of your *sum insured*.

Retaining walls — we'll cover walls that retain land

We'll pay up to \$80,000 for *loss* to retaining walls for any one event. This includes your share in retaining walls that you jointly own with other property owners.

To be covered, the retaining walls must meet all the following criteria.

- Be complete — we don't cover retaining walls if they were incomplete, or were not functioning or reasonably maintained when the *loss* occurred.
- Have the sole purpose of retaining land (meaning their purpose doesn't include repelling water of any kind).
- Have all necessary permits, consents, and certificates from local authorities.
- Have been damaged in a single *accidental* event — we don't cover gradual damage to retaining walls.

We'll pay for the cost of repairing the wall to the condition it was in immediately before the *loss*. We'll also pay for the following things if they are directly necessary for the work to the retaining wall or part of the retaining wall that has suffered *loss*.

- Gaining access to the wall.
- Stabilising the soil.
- Providing footings and drainage materials.

We may pay more for retaining walls if they're valued over \$80,000

We may pay more than \$80,000 to repair retaining walls, if:

- when making a claim you give us a valuation for your property, issued by a qualified valuation or construction expert or professional, like a quantity surveyor, qualified valuer or builder
- the valuation was done before the *loss*
- the valuation separately identifies the replacement value for all retaining walls
- your *sum insured* reflects the total replacement value for your *home* as shown in the valuation.

If all the above circumstances apply, we'll pay up to the value of the retaining walls identified in the valuation.

How we define replacement value

When we say replacement value in this benefit, we mean the amount that would be required to completely rebuild your *home* to the *replacement condition* if your *home* was totally destroyed.

- ✓ Any amount we pay under this benefit, we'll pay out of your *sum insured*.

Stolen keys — we'll pay to replace stolen or lost keys and re-set keypads

We'll pay reasonable costs to change or replace locks and keys or change the electronic keypad's entry code, if any of the following happen.

- A key to your *home* is stolen.
- A key to your *home* is believed on reasonable grounds to have been duplicated without your agreement following its disappearance.
- A keypad entry code is shared without your agreement.

We'll also pay the reasonable cost of opening any safe after its key or combination details disappear or are stolen.

We'll pay up to \$2,000 in total for any one event.

- ✓ Any amount we pay under this benefit, we'll pay out of your *sum insured*.

Stress payment — we'll pay you an additional amount if your home is a total loss

If we pay a *total loss* under this policy, we'll pay you an extra \$5,000 for the stress caused by this *loss*.

- ⊕ Any amount we pay under this benefit, we'll pay in addition to your *sum insured*.

SumExtra — we may pay more than the sum insured

Under this benefit, if the *replacement cost* for your *home* is more than the *sum insured*, we'll pay one of the following.

- The part of the *replacement cost* that exceeds the *sum insured*, if the *loss* arises from any cause we cover other than *natural disaster*.
- Up to an extra 10% of the *sum insured* towards the *replacement cost* if the *loss* arises from *natural disaster*.

Conditions for qualifying for SumExtra

You will qualify for SumExtra if all of the following apply.

1. Your *schedule* shows that cover for your *home* is not limited to *indemnity value*.
2. We settle your claim by paying the *replacement cost* using any of the options numbered 1 to 4, under the heading 'How we settle your claim' on page 26.

3. At the time of *loss*, the *sum insured* equals or exceeds a written estimate of costs reasonably necessary to rebuild your *home*. The standard of the rebuild used for the written estimate of costs must:
 - be to a standard or specification similar to, but no better than, your *home's* condition when new
 - use equivalent techniques and building materials readily available in New Zealand.
4. You must have obtained the written estimate of costs from one of the following.
 - The online rebuilding cost calculator on our website, or another online rebuilding cost calculator that we accept.
 - A registered valuer, registered quantity surveyor, building practitioner holding a suitable trade licence, or another building specialist, that we accept.
 - Any other method or source that we accept.
5. The written estimate of costs provides a complete and correct description of your *home* and is less than 3 years old at the time the *sum insured* was most recently agreed – which could be when you purchased the policy, anytime during the *period of insurance*, or at your last renewal.
6. When you make a claim, you must provide us proof of the estimate for rebuilding your *home*, that you obtained before you set your *sum insured*.
7. You may have increased the size or improved the quality of your *home* since you obtained your written estimate of costs. In this case, you must have increased the *sum insured* in line with the increase in the rebuilding cost of your *home*. If you haven't, we'll pay only up to an extra 10% of your *sum insured*. That's regardless of whether the *loss* is caused by *natural disaster* or any other event we insure against.

How SumExtra affects your cover

This benefit doesn't increase the *sum insured*, or increase any cover that's based on a percentage of the *sum insured*.

- + Any amount we pay under this benefit, we'll pay in addition to your *sum insured*.

Temporary removal of fixtures and fittings – we'll cover fixtures and fittings while they're away for repairs

We'll pay for *loss* to fixtures and fittings that form part of your *home* while they're with a professional tradesperson or organisation for repair.

This benefit covers the fixtures and fittings while they're removed from your *home* for up to 60 days. The *loss* must happen during the *period of insurance*.

- ✓ Any amount we pay under this benefit, we'll pay out of your *sum insured*.

Tree removal – we'll pay to remove trees that fall on your home

If we've accepted a claim for *loss* to your *home* caused by a tree or part of a tree falling onto your *home*, we'll pay to remove any part of the tree that's necessary to allow repairs to the *home*.

We'll also pay up to \$2,000 for costs you reasonably incur to remove the rest of the tree from your property. This includes any parts of the tree that haven't fallen.

We won't pay if you knew the tree was unsound or unstable and needed to be removed. We'll never pay to remove stumps from the ground.

- ✓ Any amount we pay under this benefit, we'll pay out of your *sum insured*.

Water or sewage pipe blockage — we'll cover clearing blockages to underground water and sewage pipes

We'll pay the reasonable cost of clearing an *accidental* blockage in an underground water or sewage pipe.

We'll pay if all the following apply.

- The blockage wasn't caused by the roots of any tree or plant.
- The blockage happened during the *period of insurance*.
- The blocked pipe is within the *residential boundaries* of your *home*.

If clearing the blockage damages part of a driveway, patio, path, paving, tennis court, or other permanent structure that forms part of the *home*, we'll cover the cost of repairing or rebuilding the damaged part.

The maximum we'll pay under this benefit is up to \$1,500 during any one *period of insurance*.

- ✓ Any amount we pay under this benefit, we'll pay out of your *sum insured*.

Optional benefit – the additional cover you can choose

If you have chosen the following optional benefit, it will appear on your *schedule*.

Landlord's extension — for tenanted properties

We'll provide the cover below for the number of self-contained dwelling units shown on your *schedule*. All the following must apply.

- You've paid an extra *premium* for this benefit, and your *schedule* shows this benefit is included.
- Each unit has a *tenant* living in it, and is at the address shown on your *schedule*.
- You meet all of the Landlord obligations in the 'What your responsibilities are' section on page 30.

We'll reduce any payment we make under this benefit by any *rent* you received in advance, and any bond that you or Tenancy Services hold, that you could use to compensate the *loss*.

Landlord's furnishings – we'll pay the indemnity value

We'll pay you the *indemnity value* of *landlord's furnishings*, if they suffer *loss* caused by:

- an event this policy covers
- malicious damage or theft as outlined in the 'Malicious damage or theft' section of this benefit below.

For any one event, we'll pay whichever is higher:

- \$20,000 for *landlord's furnishings* for each dwelling unit that suffers *loss*
- the amount on your *schedule* for *landlord's furnishings*.

Malicious damage or theft – we'll cover deliberate damage or theft by tenants or their guests

We'll cover you for:

- malicious, intentional, or deliberate damage to the *home*
- theft of any part of the *home*

committed by your *tenants*, or people at the *home* with your *tenants'* permission.

We'll pay either:

- the reasonable cost of rebuilding, repairing, or replacing the damaged part of your *home* to the *replacement condition*
- the *indemnity value*, if you don't rebuild, repair, or replace within a reasonable time.

The most we'll pay is \$30,000 for any one event. This limit doesn't apply to damage caused by fire or explosion resulting from malicious, intentional, or deliberate damage to the *home* by *tenants* or their guests.

We'll only provide cover under this benefit for *loss* caused by one event while the *home* was let to the same *tenants* or under the same *tenancy agreement*.

Loss of rent due to loss covered by this policy

We'll pay or reimburse you for *loss of rent* if your *home* is *uninhabitable* for either of the following reasons.

- *Loss* covered by this policy, or that would be covered by this policy but is instead covered by EQC because of the Earthquake Commission Act 1993.
- Prevention of access to the *home* by government or local authorities which is initiated during the *period of insurance* because of possible or impending damage to an otherwise safe or sanitary *home*.

We'll pay or reimburse you from the date your *home* becomes *uninhabitable*.

We'll provide this benefit if one of the following applies.

- A tenant was living in your *home* when it became *uninhabitable*.
- Before your *home* became *uninhabitable*, you had a signed *tenancy agreement* with a new *tenant* to let your *home* continuously for at least 90 days.

We'll pay the average weekly *rent* you received for renting out your *home* while *tenants* were living in it over the 12 months before the *loss*. If you had a *tenancy agreement* signed for a new *tenant* before the *loss*, we'll pay the weekly *rent* in the agreement.

We'll keep paying this benefit for:

- the time necessary to rebuild or repair your *home*, up to 12 months
- up to 2 months if you don't want to repair or rebuild your *home*
- the time during which authorities are preventing access to your *home*, up to 12 months.

For any one event, we'll pay up to whichever is higher:

- \$40,000 for each dwelling unit that is *uninhabitable* and experiencing a *loss of rent*
- the amount on your *schedule* for *loss of rent*.

Loss of rent due to non-payment by tenants

We'll pay or reimburse you for *loss of rent* if your *tenants* don't pay their *rent* for any of the following reasons.

- Your *tenants* can lawfully move out of your *home* because authorities are preventing access or if public utilities fail. We'll pay up to 8 weeks *rent*.
- Your *tenants* move out of your *home* without giving the required notice. We'll pay up to 8 weeks *rent*.
- You lawfully evict your *tenants* from your *home* because they didn't pay *rent*. We'll pay up to 12 weeks *rent*.
- The Tenancy Tribunal orders your *tenants* to leave your *home* and the tenancy to end. We'll pay up to 12 weeks *rent* if you or your property manager have enforced the order within 5 working days of it being issued.

Loss of rent is calculated from the date unpaid *rent* was first due until either the *home* is re-*tenanted*, or we have paid the maximum number of weeks *rent* that applies to the reason your *tenants* have stopped paying — as explained above.

Exclusions – things we don't cover

We won't cover you in these situations.

Business use

We won't cover any *loss* or liability arising from your *home* being used for business.

This exclusion doesn't apply to any part of the *home* used as a *home office* or *healthcare practice*.

Communicable disease

We won't cover any *loss*, damage, interruption, liability, claim, cost, expense or any other sum of any kind that arises directly or indirectly out of, is contributed to by, or is in connection with any of the following.

1. Communicable disease
2. The actual, or perceived, fear or threat of communicable disease.
3. Actions by any person, entity or public authority to respond to, control, prevent or suppress communicable disease.

- applies regardless of any other cause or event contributing at the same time or in any other order to 1–3 above.

However, if there's resulting *loss* to other parts of the *home* caused by the excluded *loss*, we'll cover it (unless it's excluded under another part of this policy).

We won't cover *loss* caused by burglary, theft, malicious, intentional, or deliberate damage committed by anyone renting, living, or staying in your *home*.

However, if your *home* is *tenanted*, we'll cover any *loss* from fire or explosion caused by malicious, intentional, or deliberate damage by *tenants*.

This exclusion doesn't apply to cover under the 'Landlord's extension' optional benefit, but only if:

- your *home* is *tenanted*
- your *schedule* shows you have the 'Landlord's extension' optional benefit.

This exclusion applies whether the act or failure to act was criminal or not.

However, we'll cover any *loss* to your *home* from fire or explosion.

This exclusion doesn't apply in either of the following circumstances.

- Your *home* is *tenanted*, and we cover you under the 'Methamphetamine contamination' benefit.
- You normally live in your *home*, and *loss* is caused by unknown people entering your *home* without your permission while it's unattended (but not *unoccupied*). We'll extend the 'Methamphetamine contamination' benefit to cover the *loss*, and this exclusion won't apply to that cover. The normal limit for what we pay for the 'Methamphetamine contamination' benefit won't apply. Instead, we'll pay within the *sum insured*.

- digging foundations or piles which are both:
 - necessary to allow for the repair or rebuild of your *home* after a *loss* we cover
 - required by government or local authority statutes, bylaws, or regulations.

You must ensure your land provides an acceptable platform for any repairing or rebuilding of your *home* that we cover.

- biological
- chemical
- radioactive

An act of terrorism means any act which:

- may include the use of force or violence, or the threat of its use; and

- *unoccupied*
- unattended, if you normally use it as a holiday *home* or weekend *home*.

However, we'll cover your *home* if we know the *home* is a holiday *home*, or we agreed in writing to cover you while your *home* was *unoccupied*.

All of the following must be met.

- Your *home*, its lawns, and its gardens are kept tidy.
- All external doors and windows are kept locked.

Making a claim

If something happens and you think you may need to make a claim, first make sure everyone is safe.

Then, contact your insurance adviser or us as soon as possible.

Once we have all the information we need, we'll decide the best way to advance your claim.

What you must do if something happens that might lead to a claim

If anything happens that might lead to a claim under this policy, you must do all the following.

- Tell the Police if there's been theft, burglary, or vandalism.
- Tell your insurance adviser or us about what's happened.
- Take all reasonable steps to minimise the *loss*.
- Send us any communications you get about an event that might lead to a claim.
- Obtain our permission before you start repairs (unless you're replacing or repairing window glass).
- Let us inspect any damaged property.
- Provide us any information or help we may need, including proof that you own the property you're claiming for.
- Help us take any recovery action we choose against anyone we consider responsible for the *loss*.
- At your cost, cooperate with our assessors, investigators, lawyers, and anyone else we appoint to help us. This includes attending meetings with them when we need you to.
- Don't refund the bond to your *tenant* if they're potentially legally liable for any *loss* you're claiming, and you can lawfully withhold some or all of the bond.

If you don't fulfil these responsibilities

If you don't fulfil the responsibilities outlined above, we may:

- reduce the amount we pay you
- refuse to pay, or decline, your claim
- require you to pay back to us anything we've paid for the claim.

What you must do to help us settle your claim

Obtain our permission before you incur expenses or negotiate claims

You must obtain our written permission before you incur any expense or negotiate, pay, settle, admit, reject, or make any agreement about any claim.

We will act in your name

In your name, we can:

- take any proceedings necessary to use your legal right of recovery from anyone else
- take over, defend, and settle any claim against you for *damages*.

If we act in your name, we'll do so at our expense. You must provide all reasonable help and cooperation, at your cost.

We will share and collect information about your claim

You allow us to share information with third parties about any claim you make under this policy. You also allow us to get information from third parties that's relevant to any claim you make under this policy.

You must complete documents agreeing settlement

Before we settle your claim, you must complete documents describing our settlement for your claim.

Excess – you will have to pay an excess

The excess is the amount you must pay towards the cost of any claim.

The excess forms the first part of any *loss* you're claiming for.

We'll take the excess away from the amount of your claim, not from any policy limit.

If *loss* arises from multiple incidents, occasions, or events, the excess (or each relevant excess) applies to each incident, occasion, or event that causes *loss*.

One event, one excess

Usually, you'll pay an excess for every claim. However, if you need to claim under more than one policy with us for *loss* caused by a single event at the same location, you'll only pay one excess. This will be the largest applicable excess of all your policies.

Different types of excess can apply

More than one type of excess could apply – the specific circumstances of your claim will determine the total value of the excess you need to pay. If more than one type of excess applies, they'll apply cumulatively – they'll be added together to reach the total excess. Any amount shown on your *schedule* or described in this policy wording as an excess could apply.

The following additional excesses apply, unless the *loss* arises from fire, *flood*, or *natural disaster*.

- \$250 for each event, if you let your *home* to *tenants* other than you.
- \$1,000 for each event, if you make your *home* available to anyone for casual use in return for any form of payment.

How we settle your claim

If your *home* suffers a *loss* which we accept under this policy, we may choose to settle your claim in one of the following ways. No matter what we choose, we'll only pay up to the *home sum insured*.

If your *schedule* shows a *sum insured* for other parts of your *home*, the maximum we'll pay for those parts is the specific *sum insured* for them on your *schedule*.

1. Repair or rebuild your home

We'll repair or rebuild your *home* to the *replacement condition*.

We'll decide the best way to advance your claim, including inspecting any damage, choosing the repairer, and arranging the repair.

If we choose to repair your *home*, we'll get independent quotes from our approved repairers or suppliers. You can recommend repairers or suppliers to provide quotes for us to consider. We'll choose who will repair your *home*, oversee any repairs, and keep you up to date with what's happening.

2. Pay up to the replacement cost, to repair or rebuild your home

We'll pay up to the *replacement cost* to let you repair or rebuild your *home*. We'll only pay after you've incurred that cost. You must keep us up to date about the repair or rebuild. We can inspect the repair or rebuild and any relevant documents at any time.

3. Pay up to the replacement cost

We'll pay up to the *replacement cost* we believe you'll incur within 12 months. Before we choose this option, you must agree with us on the terms outlining how you will secure our payment until you incur the cost.

4. Pay the replacement cost to rebuild somewhere else

We'll pay up to the *replacement cost* to let you to build a *home* somewhere else. We won't pay for any extra costs associated with building at that location. You must finish building within 12 months unless we agree to extend that time. You must keep us up to date about the build. We can inspect the build and any relevant documents at any time.

5. Pay the replacement cost to buy a home somewhere else

We'll pay up to the *replacement cost* to let you to buy a *home* somewhere else within 12 months. You must agree with us on the terms outlining how you will secure our payment until you incur the cost.

6. Pay the indemnity value

We'll pay the *indemnity value* where you don't intend to repair or rebuild within 12 months unless we agree to extend that time.

7. We'll pay your mortgagee then settle any remainder

We'll first pay any part of the *replacement cost* to any mortgagee or party with a secured financial interest in your *home*. If there is any remaining part of the *replacement cost* after this payment, we will settle it by choosing one of the options above.

There are some limits on what we'll pay

We'll reduce the sum insured if you haven't repaired, replaced, or rebuilt previous losses

The *sum insured* will be reduced from the sum on your *schedule* by the amount needed to repair, replace, or rebuild any *loss* which occurred in any previous *period of insurance*.

This only applies where you haven't repaired, replaced, or rebuilt a *loss* that happened in a previous *period of insurance*.

We'll pay up to \$50,000 for roads, lanes, and bridges

We'll pay up to \$50,000 for your share of incurred costs during the *period of insurance*, for *loss* to any private:

- road
- lane
- right-of-way
- access way
- bridge and its associated guttering, drains, piping, cables, and lighting, including a bridge within the *residential boundaries* of the property your *home* is on.

We'll pay if the structures listed above provide access to a driveway that you own or share with other homeowners and you are responsible for.

If damaged items are part of a group, we'll only pay for those damaged items

If items that suffer *loss* are part of a group of *similar items*, we'll only pay for those items that actually suffered *loss*. We'll pay up to the value of those items, or the cost to replace them.

We don't have to exactly replace, repair, or rebuild items that have suffered *loss*.

Repairs to your kitchen

We'll repair the damaged areas of your kitchen and any undamaged areas that are considered part of the same section because they are continuously joined, are on the same level and made of the same materials.

In this example we would replace the long bench up to the stove (1), the overhead cupboards (2) and both glass splash backs (3 & 4).

In this example we would not replace overhead cupboards (5), the separate bench tops (6 & 7), or the glass splash backs (8 & 9) as these are considered separate sections.

We'll only replace wallpapers, floor coverings and curtains in the room where the loss happens

We'll only replace damaged wallpaper, floor coverings, drapes, curtains, and blinds in the *room* where the *loss* happened.

Floor coverings

We won't pay to comply with heritage covenants

If your *home* is registered with the Heritage New Zealand Pouhere Taonga, we won't pay any extra costs or fees needed to comply with any heritage covenants that apply to your *home*.

We won't pay to repair land beneath damaged driveways

If an area of driveway suffers damage, we'll only pay to repair the base, the top layer, or both. We won't pay to repair the land beneath the driveway.

We'll pay the indemnity value for older floor coverings

If you don't live in your *home*, we'll only pay the *indemnity value* for any fixed floor coverings over 10 years old. A fixed floor covering includes if it's floating, glued, tacked or smooth-edged.

We'll pay the indemnity value for older shade sails

We'll only pay the *indemnity value* for outdoor shade cloth or fabric (shade sails) over 5 years old.

Costs we'll pay that are associated with your claim

We'll pay the following costs out of your *sum insured*.

Professional fees and clearance costs

We'll pay the following reasonable costs if they are necessary for the building work needed to repair or rebuild your *home*.

- Costs you incur from demolishing the damaged part of your *home*, clearing the building site, and removing any debris from your *home*.
- Fees you incur for the service of architects, surveyors, consultants, lawyers, and council. The fees must be directly necessary to repair or rebuild your *home* following any *loss* this policy covers. You must get our permission before you incur these fees. This does not include costs which would not usually be required to enable building work of the type required for the repair or rebuild to proceed.

Statutory requirements – we'll pay to make your home compliant

When we pay to rebuild or repair your *home*, we'll pay the costs required to repair or rebuild the damaged portion of the *home* that is needed solely to comply with government or local authority statutes, by-laws and regulations ('the cost of compliance').

We'll only pay these costs if all the following apply.

- You didn't know about, or you had not been served with notice of, the *home* failing to comply with the statutes, by-laws, or regulations before the *loss* happened.
- An entry has not been made on your Certificate of Title under section 36 of the Building Act 1991, or section 74 of the Building Act 2004. However, we'll provide cover relating to the entry if we had agreed in writing before the *loss* happened.
- The costs don't relate to design issues that this policy excludes under the 'Home defects' exclusion on page 19.
- The damaged part of the building complied with relevant statutes, by-laws, or regulations when it was built, and whenever it was altered. If it didn't comply at those times, it had since been certified as compliant.

We'll only pay the cost of compliance:

- for the part of your *home* that has suffered physical damage that this policy covers
- that relates solely to repairing that *loss*.

We won't pay:

- the cost of compliance for any undamaged part of the *home*, whether or not it complies with statutes, by-laws, or regulations
- any extra costs or fees needed to comply with heritage covenants on your *home*, if it's registered with the Heritage New Zealand Pouhere Taonga
- to repair, prepare, stabilise, or treat the land if that's necessary to comply with regulations to allow repair or rebuilding of your *home*.

The maximum we'll pay for your claim

The most we'll pay under this policy is the following list, added together.

- The *sum insured* shown on your *schedule* (including benefits paid from within it).
- Any GST that you've paid or is payable on the *sum insured*.
- Any amounts we are required to pay under these benefits:
 - Alternative accommodation (page 6)
 - Environmental improvements (page 7)
 - Landscaping (page 8)
 - Property owner's liability (page 11)
 - Stress payment (page 13)
 - SumExtra (page 13)
 - Optional benefit – Landlord's extension (page 15), if your *schedule* shows that you have this benefit.

What your responsibilities are

This section outlines the responsibilities you, and anyone else insured under this policy, must meet.

Information given to us must be correct

Your proposal, application, or declaration form is the basis of this contract.

All statements and information you give us, or anyone gives us on your behalf, must be complete and correct. This includes statements and information:

- in any proposal, application, or declaration – whether we get the statements and information verbally, electronically, or in printed form
- that support this policy or any claim.

If you give incorrect or false information in relation to your claim, or if your claim is fraudulent in any way, we won't pay the claim. If your claim is fraudulent, your policy automatically ends – we will cancel your policy from the date you made the claim or gave us the false information.

If you give us incorrect or incomplete information, or if information is withheld, and your claim is declined or we *avoid* your policy, this may affect your ability to obtain insurance in the future.

You have a duty of disclosure

You have a duty of disclosure, which means you must tell us everything we'd consider material to decide:

- whether to issue, renew, or change this policy
- the terms on which we'd issue, renew, or change this policy, including the *premium* we charge.

Your duty of disclosure applies each time you renew or change this policy. If you don't meet your duty of disclosure, we can refuse a claim, reduce any claim payment, or *avoid* the policy. This may affect your ability to obtain insurance in the future.

Tell us if anything changes

Tell us straight away if there's a change that could affect your cover, our decision to insure you, or the *premium* we charge. Some examples of when you might need to do this are:

- you make structural changes or additions to your *home*
- you sell your *home*, or buy a new one
- you're going to leave your *home unoccupied*
- you or someone living with you is convicted of a criminal offence.

If you're not sure whether something is important, tell us anyway. If you don't keep us up to date, we can refuse a claim, or reduce any claim payment, or *avoid* the policy.

If we avoid your policy

If we *avoid* your policy, we treat it as though it never existed. You will have to pay back any claim payments we have made to you, and we will refund you any *premium* you have paid to us.

This might mean you find it difficult to get other insurance in the future.

You're responsible for setting your sum insured

The *sum insured* is the figure you estimate as the total cost of rebuilding your *home*, including all associated costs. It is not the value of your property on the open housing market.

You must review your sum insured regularly, as it's your responsibility to ensure you have enough insurance cover to rebuild your whole home if you need it.

You must take all reasonable steps to prevent loss

You must, at your cost or expense, take all reasonable steps to prevent *loss* and keep the *home* covered by this policy in good condition. We always have the right to examine property this policy covers.

You must also try to avoid any *loss* that you could be held legally liable for.

We won't cover *loss* or legal liability in the event that you are reckless or grossly negligent.

Reckless or grossly negligent means you've failed to act in the way a reasonable person would, given the circumstances you faced when the *loss* happened.

If you're paid reparation, you may need to pay it to us

If anyone covered by this policy is paid *reparation* for *loss* to property that we are paying (or have paid) a claim for, you must tell us. You must give us the *reparation* payments to repay the claim payments that we have made, up to the amount of the *reparation* received.

You can't pass on your rights or interests under this policy

Without our prior written agreement, you can't assign, or attempt to assign, either of the following to any other party.

- This policy or your interest in it.
- Your rights to any claims proceeds under this policy.

Landlord obligations — responsibilities you must meet if your home is tenanted

If your *home* is *tenanted*, you must meet the responsibilities below. If you don't meet all of these, we can refuse to pay your claim.

Select tenants with care

You or your managing agent must take all reasonable care when choosing each *tenant*. This includes:

- obtaining satisfactory written references for each adult *tenant* before that *tenant* moves into your *home*
- keeping records of checks you make and references you obtain, and giving them to us if we ask for them.

Inspect your property every time the tenancy changes and at least once every 6 months

You or your managing agent must inspect the property inside and out, both:

- whenever the *tenant* changes
- every 6 months, at a minimum.

You or your managing agent must also keep photos and written records of the condition of the property at the time of the inspection, and give them to us if we ask for them.

You have additional obligations if you've chosen Landlord's extension

If you have purchased the optional 'Landlord's extension' benefit, you must also meet the following additional responsibilities.

Actively monitor the rent, and take steps to get overdue rent paid

You or your managing agent must do all the following.

- Actively monitor the *rent* for your *home*.
- Give written notice to the *tenant* if the *rent* is 10 days overdue, requiring them to pay that *rent*.
- If the unpaid *rent* is not received within a further 5 days, both:
 - personally deliver a second notice to the *tenants* requiring them to pay that *rent*
 - find out whether your *tenants* are still living at your *home*.

Find new tenants as soon as possible

You must mitigate any *loss of rent* by taking all reasonable steps to find suitable new *tenants* as quickly as possible. You must give us records of the steps you took if we ask for them.

Policy conditions and other important information

Your premium

Your *premium* is the payment you make in exchange for your insurance cover. Your *premium* is detailed on your policy *schedule*. You will pay your *premium* monthly or annually, depending on the policy you have chosen.

Your premium must be paid up to date before we'll pay a claim

If you need to make a claim and you have *premium* that is less than 60 days overdue, we may withhold the claim payment until you've paid the overdue *premium*.

Your policy ends if your premium is more than 60 days overdue

To ensure that you have an opportunity to maintain cover in the event that a monthly *premium* payment has not been made to us, we will attempt again to collect the outstanding *premium* from your nominated bank account the month following.

If your *premium* is overdue by more than 60 days (two consecutive months), your insurance cover under this policy ends and a notification of policy cancellation will be issued.

Your cover reduces after a claim, before repairs are done

If we pay a claim for *loss* under this policy, your policy continues. However, the amount of cover available to pay future claims out of the *sum insured* reduces by the value of the *loss*.

We restore the amount of cover in line with the repair or rebuilding of the *loss*. But before we can restore the amount of cover, both of the following things must happen.

- You must pay any extra *premium* that we may charge.
- We must be satisfied that the *sum insured* shown on your *schedule* is a reasonable estimate of the cost of repairing or rebuilding the entire *home*.

We'll only restore your cover once during the *period of insurance*, unless we agree otherwise in writing. We won't restore your cover if there's been a *total loss* under this policy.

How your policy can be cancelled

You can cancel your policy

You have a cooling-off period if you change your mind

When you first purchase this policy, you can cancel it within 30 days if you change your mind. We'll refund all the *premium* you've paid if you haven't made a claim.

You can cancel after the cooling-off period

You can cancel your policy at any time after the 30-day cooling-off period. If you haven't made a claim, we'll refund any *premium* you have already paid for insurance cover after the cancellation date.

We can cancel your policy

We can write to you to cancel your policy

We can cancel this policy at any time by writing to either:

- you at the address or email address on our records
- your insurance adviser.

Your policy will be cancelled from 4.00pm on the 14th day after we send the letter. We will refund any *premium* you've already paid us for cover after the effective date of the cancellation.

We'll cancel your policy if you make a fraudulent or false claim

If you make a fraudulent or false claim, this policy automatically ends. We don't need to cancel it in writing, but we may confirm to you in writing that it was automatically cancelled at a particular time. We refund any *premium* you have already paid for cover after the cancellation date.

We may offer to renew your policy

The way we renew your policy depends on whether it is monthly or annual.

If you have an annual policy

Before your annual policy expires, we may invite you to renew it. Before renewing, it is very important that you check all information on the renewal invitation to confirm that your insurance details are still correct and continue to meet your requirements.

If you have a monthly policy

Monthly policies do not have an annual renewal date. They expire every month on the same day that you took out your policy. It is very important that you review your cover regularly to make sure that it still meets your requirements.

To maintain cover, you need to make sure that you continue to make monthly *premium* payments.

We may automatically adjust sum insured at renewal

When we renew your policy, we consider factors that can influence the cost of repairing, rebuilding, or other costs.

As a result, we may adjust the *sum insured* for your home. If we do, we'll show your new *sum insured* on your *schedule*, and adjust your *premium* accordingly.

We don't guarantee, represent or advise that any change to your *sum insured* will be enough to compensate you fully for any *loss*. You must always ensure your *sum insured* is enough to cover *loss* to your *home*, and associated costs.

We don't cover you if you breach these terms

To be covered under your policy, you must comply with the terms and conditions outlined in this policy wording.

If we find that anyone insured by your policy has breached any of these terms or conditions, we can decline a claim, or reduce the payment.

However, nothing in this policy wording affects our rights or yours under common law, including our right to *avoid* your policy for not making full disclosure in accordance with your duty of disclosure.

This policy can cover multiple parties as joint insureds

This policy is a joint policy if your *schedule* shows joint names, or includes the name of a Trust, as being insured.

We view each insured person as acting with the explicit permission of any other. You each have the right to change this policy, make or settle a claim under this policy, or cancel this policy.

Any breach of the policy terms or conditions by one person will prevent all insured people from claiming under this policy.

We may change the terms of this policy

If we can no longer obtain or retain full reinsurance protection from any *natural disaster* this policy covers, we may change the terms of this policy including the *excess*.

We'll send a letter or e-mail to the latest address we have for you, or to your insurance adviser. The change takes effect at 4.00 pm on the 14th day after we send the letter.

How GST applies when we pay a claim

Dollar figures for benefits, *excesses*, and limits to items in this policy include GST. However, we'll pay GST that is paid or payable on top of the *sum insured*.

We only pay once if more than one benefit could apply

Some benefits under this policy can only be used once per event, even if you have more than one policy or section of a policy with us that has the same benefit.

This condition applies if you, or someone you live with, has any of the following benefits with us under more than one policy:

- Alternative accommodation
- Property owner's liability
- Resetting or reprogramming a security system
- Stolen keys
- Stress payment

We don't cover you if you have other insurance

We won't cover you for *loss* or liability where insurance cover is provided by another insurer for the same *loss* or liability. We won't contribute towards any claim under any other policy.

If your property is secured by an interested party

If your property is mortgaged, or secured by another kind of financial agreement, we may make any claim payment to the interested party. This will meet our responsibilities under this policy.

Where required, we'll share personal information about you with any party that holds a financial interest in your property.

We don't cover parties with a financial interest under this policy, and those parties can't make claims.

New Zealand law applies to this policy

This policy is governed by New Zealand law and New Zealand courts have exclusive jurisdiction over any legal proceedings about it.

When this policy mentions an Act of New Zealand Parliament, this includes any substitution, amendment, or replacement of the Act. If the Act has been repealed and there is no substitution or replacement, we mean any part of an Act with substantially the same purpose and function. It includes the regulations under the Act.

How Government EQC cover works when you insure more than one site

If your policy covers property at more than one named location, each location is considered a separate insurance policy for the purposes of the Earthquake Commission Act 1993.

We'll cover your home until it changes hands

If you've signed a contract to sell your *home*, we'll cover the buyer under this policy until they take possession of your *home* or until settlement, whichever is earlier. However, we only cover the buyer if they're not covered under another policy.

The limitations, exclusions, conditions, and cover limits of this policy apply to both you and the buyer, as if you were jointly insured.

We'll put details of your claims on the Insurance Claims Register

In buying this policy, you allow us to put details of any claims you make on the Insurance Claims Register (ICR) so other insurers can see them. You also allow us to obtain personal information and details of claims you've made from the ICR.

The ICR is a database of insurance claims. It helps prevent insurance fraud by enabling insurance companies to share details of claims. The ICR is operated by Insurance Claims Register Limited (ICR Ltd), PO Box 474, Wellington 6140.
