

Terms & Conditions: Aon Surf Life Saving Club Referral Scheme

How does the Aon Club Referral Scheme work?

All new clients who complete the referral form below and agree to be referred to Aon New Zealand can be part of the Aon Club Referral Scheme. Existing clients or clients who are referred to Aon New Zealand via other Aon referral arrangements or relationships cannot be part of the Aon Club Referral Scheme

What does the Aon Club Referral Scheme provide?

Aon New Zealand will provide 15% of its commission earned from the insurance arranged for the client and/or 15% of the fees paid by the client in relation to Aon services to Surf Life Saving New Zealand. Payments are generally made to Surf Life Saving New Zealand quarterly.

The amounts are not payable in relation to any client after it ceases to receive Aon services. If the client's insurance is cancelled or lapses or fee reversals occur, payments will not apply.

What else do I need to know?

Aon New Zealand may amend or terminate the Aon Club Referral Scheme at any time.

By completing the referral form, you acknowledge and agree to these terms and conditions.

For further information, please contact your Aon Client Manager or slnz.referrals@aon.com.
